

Kalmar Nyckel, the Tall Ship of Delaware Education Program 2010

Winter 2010 Wilmington

Ship and Shipyard tours: Now through April 9
[Tuesday through Friday]

Tour Cost: \$10.00 for each student & chaperone;
teacher is free.

During **Winter** the ship is down rigged and the deck is covered with a plastic “greenhouse-like” cover. Tours are still conducted, but the ship is not fully rigged with all its sails. The tour will include the main deck of the ship, sail loft/museum, blacksmith

shop, gun deck, New Sweden Centre museum, Swedish games, & mechanical advantage block and tackle demonstration. One of the advantages of a winter tour is that the students get to watch maintenance activities such as sail mending and rigging.

Spring 2010 Student Sails/Tours Wilmington

April 13 through May 14

While sailing on the Christina River the students receive an interactive orientation to the ship, work with the crew, participate in setting and dousing sails, learn about period navigational instruments, observe and utilize mechanical advantage devices such as the capstan, windlass and whip staff, as well as making observations about the Christina River’s flora and fauna.

Ship Sails 1.5 hours:

Sailing times each day: 9:30-11:00 & 12:00-1:30

Sail Cost: \$15.00 for each student & chaperone. One teacher free.

Capacity: 40 students & 9 chaperones

We can accommodate larger groups (50-80) by dividing the groups in half, with one half sailing while the other half tour the shipyard. After a lunch break, the two groups would switch places.

Combined sail/tour Cost: \$20.00 for each student & chaperone.
