

Kalmar Nyckel

the Tall Ship of Delaware

Education Program 2012

Spring 2012 Student Sails/Tours Wilmington

Ship and Shipyard tours: March 27 through April 13
Tour Cost: \$10.00 for each student & chaperone; teacher is free.

Tours are conducted, while the volunteers work to rig the ship for the coming sailing season. The tour will include the main deck and quarterdeck of the ship, including helm and sail handling. On land students participate in education stations in the sail loft/museum, blacksmith shop, gun deck, and New Sweden Centre museum, with Swedish games. One of the highlights of touring in early Spring is that the students get to watch maintenance activities such as sail mending and rigging.

Sails/Tours April 17 through May 11

While sailing on the Christina River the students receive an interactive orientation to the ship, work with the crew, participate in setting and dousing sails, learn about period navigational instruments, observe and utilize mechanical advantage devices such as the capstan, windlass and whip staff, as well as making observations about the Christina River's flora and fauna.

Ship Sails 1.5 hours:

Sailing times each day: 9:30-11:00 & 12:00-1:30

Sail Cost: \$15.00 for each student & chaperone. One teacher free.

Capacity: 40 students & 9 chaperones

We can accommodate larger groups (43-84) by dividing the groups in half, with one half sailing while the other half tour the shipyard. After a lunch break, the two groups would switch places.

Combined sail/tour Cost: \$20.00 for each student & chaperone.

Tour Week in Lewes, May 16-18

Tour the ship, while we are at the Cape May Lewes Ferry Terminal: **Cost: \$10.00**
Arrangement can be made to include the Zwanendael Museum into the tour, which is necessary for groups over 40 students.
